

Record and Play Back

Smartpens record everything you write and hear so you'll never miss a word. Replay the recorded audio by tapping directly on your notes.*

Send and Share

Easily send notes and audio as an interactive pencent PDF to destinations of your choice – all from your paper.**

Save, Search and Organize

Easily save, search, organize and play back your handwritten notes and recordings on your Mac® or Windows® computer. Download the free Livescribe Pencent Player for your iPad or iPhone to play back notes and audio on the go.

*Livescribe paper required. Don't record without permission.

**Mobile device access requires Pencent Player App or Flash®-enabled web browser.
